Most Utah hospitals in this table did as well as expected compared to similar hospitals in the U.S.

The following hospitals treated at least one patient but less than 30 patients:

Allen Memorial, Bear River Valley, Beaver Valley, Cache Valley, Central Valley, Gunnison Valley, Heber Valley, Milford Valley, Primary Children's, Sanpete Valley, Sevier Valley, The Orthopedic Specialty Hospital, Uintah Basin.

Rating:

*** Fewer deaths than expected (better) ** Same as expected * More deaths than expected

Actual deaths: percentage of patients who received care for this condition or procedure and died in this hospital.

Expected deaths: percentage of patients who were expected to die at this hospital if it performed the same as other U.S. hospitals that treated similar patients (age, gender, how ill the patients were).
